Dear Sir:

In reviewing the Filing Receipt mailed on April 22, 2004 with the Notice of Missing Parts on Nonprovisional Application, the Applicant notes that no data appears on the Filing Receipt after the heading "Foreign Applications." Inasmuch as the Applicant claimed priority under 35 U.S.C. §119 to French Registration No. 02 11620, filed September 19, 2002, and submitted with the present U.S. patent application a certified copy of the French priority document, it is respectfully requested that the Filing Receipt be corrected to include the foreign priority data.

The Applicant's residence information is provided in the accompanying Declaration/Power of Attorney. Incorporation of the Applicant's residence, Lambearsart, France, on the Filing Receipt is also respectfully requested.

Dated: June 10, 2004

Respectfully submitted,
